

# 4 Free Lessons Explained

**Q.** "You said we receive 4 free lessons per year. I'm still confused."

**A.** These free lessons are actually EXTRA lessons you receive throughout the year that we could charge you for, but we don't. We consider them preemptive make-up lessons, so that if your day (say it was Wednesday) fell on one of the six major holidays (like 4<sup>th</sup> of July), or if you have to cancel a lesson at any given time, it's already made up. **Let's take a look...**

*As you can see January 2018 has FIVE Wednesdays in it.*

Those extra lessons are used for holidays like 4<sup>th</sup> of July, or any day that you cancel the lesson.

So don't worry, a 4-week month with only 3 lessons given that month, is made up by a 5-week month!

If you have more than one instrument being taught, just add four extra lessons per instrument. For example, a household with 2 (instruments) will equal 8 extra lessons per year. Whatever you don't use will be to your benefit!
